

Help Restore the Dorence Atwater Monument at Baldwin Park

2015 marks the 150th anniversary of the return of **Dorence Atwater**, Plymouth's Civil War hero. Atwater survived the infamous Confederate prison camp at Andersonville, GA. He smuggled out the list of 13,000 Union soldiers who died there so families could find out what happened to their loved ones.

The Plymouth Historical Society needs your help to restore his monument at Baldwin Park and install a new commemorative sign.

For a donation of \$50, you can choose a name to be placed on a plaque at the monument.
